

WE'RE HIRING!

IT-manager to shape the future of Multicut

Are you interested in smart industry, automation, and industry 4.0? Do you want to assist a lean manufacturing company besides protecting and securing its IT-systems? Are you keen on addressing cybersecurity challenges and consulting senior management?

Then perhaps you are our new IT-manager at Multicut.

Deadline: April 17, 2019

Multicut is a recognized manufacturer of precision products and delivers breakthrough solutions. Multicut works for one of the world's most difficult sectors – including the defense and aviation sector. Quality and security are cornerstones in our business, and for such our department of IT consist of highly qualified people. We are looking for an IT-manager with an analytical mind-set to join our company In Vildbjerg. You will play a key role in shaping the future IT-infrastructure of Multicut.

Main tasks and responsibilities as IT-manager

- Management of systems in a VMware environment
- Network management - mainly cisco
- Cybersecurity requirements
- Management of security systems (NOX)
- Integration between cybersystems and manufacturing machines (CNC) Mainly MAZAK
- Backup and Microsoft Windows updates
- Assisting personnel regarding IT
- Procurement of IT-hardware and solutions

Required qualifications

- Relevant work experience
- Ambitious, flexible, efficient, outgoing and able to handle IT tasks under pressure
- A high sense of responsibility and ability to work independently
- Excellent in written and spoken Danish and English
- Experience from a manufacturing company would be an advantage but not required

Employment conditions

- You will be hired as IT-manager at Multicut A/S in Vildbjerg, Denmark, but will also be working closely with our other locations – in Denmark, Lithuania and The United States of America.
- Starting date is May 1st, 2019 or as soon as possible.
- You will be offered full time employment.
- Your contract is regulated according to Law on Salaried Employees (Funktionærloven)
- Your salary will reflect your qualifications, relevant work experience and proven work-related results.

Questions and Application Process

For any questions regarding the position, please contact Klaus Andersen, CFO and Head of the IT-department, at ka@multicut.dk or on +45 2224 2018

To apply for the position, please send your application (cover letter, CV, proof of relevant education) in English to job@multicut.dk no later than April 17th 2019.
